

Information on 2025 Health Examination【Freshmen】

〈About Periodic Health Examinations〉

The annual health examination for students is held in accordance with the School Health and Safety Act. The health examination aims at early detection of diseases and management and promotion of personal health, so that our students can lead a better and healthier student life. All students are strongly advised to take the annual health examination every year.

If you failed to take the annual health examination

- You will not be able to obtain Doshisha University's Certificate of Health Examination, which is required for various occasions including job hunting (4th year students and above), proceeding to an advanced program, study abroad, applying for a scholarship, participation in a sports competition, nursing care training and part-time job
- You will not be able to register for some of the courses including Sports Performance.
- You will not be able to take a special health examination (health examination for students dealing with ionizing radiation, organic compounds and specified compounds) or a health examination for participating in sports.
